

Floor Manager

Brasserie Surréaliste was founded by two brothers with the vision to escape reality and make people dream again. 1500sqm in the heart of Brussels exploring beer, food, art & music in a surreal environment.

In the vibrant district of Dansaert, the iconic Art Deco building of 1932, previously a banana warehouse has been reaffected into a brewery and restaurant looking like no other in the world.

Our bar features some of the best local and international beers, juicy wines, craft cocktails and sodas along with good coffee.
