

## Chef de Parties

Brasserie Surréaliste is a young micro-brewery founded by two passionate brothers specializing in hop-forward and sour beers.

We recently found home in the trendy neighborhood of Dansaert in Brussels, in an iconic art-deco building of 1,500 square meters. Our 600m2 bar and restaurant, located just above the brewery, is opening in March 2022 and will feature a huge bar, a fully equipped kitchen, a winter garden, beer shop and an exhibition hall with a special focus on digital art.

Along our bar with amazing local beers and juicy wines, we will be serving a creative and simple cuisine, focusing on local/seasonal ingredients, fermentations, etc. on shared platters.

👉 We are looking for an experienced cook that shares our love for good products to join our team of April 2022.
